26.06 **Update on Investment.**

UK inflation currently remains around 3.4%, but CCLA’s investment performance has continued to broadly keep pace with inflation. This provides us with a secure and professionally managed option for protecting reserves.

The Clerk advised the meeting that, although half of this year’s precept request had now been received, expenditure incurred during April and May accounts for approximately 40% of the total annual expenditure. She therefore intends to defer transferring the remaining precept funds into the CCLA account until the end of the month, to avoid the need to withdraw funds to meet these expenses.

26.07 **Urgent matters that the Chairman wishes to bring to the attention of the Committee.**

The date of the next meeting is Monday 10th August 2026 at 1.00pm Bracklesham Barn
