Dear Tracey

Re: East Wittering & Bracklesham Parish Council
Internal Audit Year Ended 31 March 2024 – Year-End Audit report

Executive summary

Following completion of our year-end internal audit on 20 May 2024 we enclose our report for your kind attention and presentation to the council. This report contains details of the additional testing conducted at year-end and should be considered alongside the interim audit report issued following our interim audit on 21 September 2023. The audits were conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at East Wittering & Bracklesham Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry & Co, who has over 30 years' experience in the financial sector with the last 13 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2023/24 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

Year-End Audit

The year-end audit was conducted on site. Information was requested from the council in advance of the audit taking place, and this was reviewed along with other information published on the council's website www.ewbpc.org.uk

Interim Audit - Points Carried Forward

Audit Point	Audit Findings	Council comments on actions taken since interim visit
B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	I note that some of the Register of Members' Interest forms are undated and recommend the dates are added and reloaded to the website.	At the year-end, all forms are dated and on the website.
B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	I recommend the council enquires with its website provider to publish a Website Accessibility Statement to comply with the regulations.	The Accessibility Statement is published on the home page of the council website.
B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS	I recommend the council updates the thresholds within FR 4.1 to reflect the practice of the Clerk approving payments under £500.	The Financial Regulations have been updated to reflect the council practices.
C. MANAGEMENT AND INSURANCE	I recommend the risk assessment is updated at the next review to match the council's current processes.	The Risk Assessment has been updated to reflect the council practices and will be reviewed at the next interim visit.
H. ASSETS AND INVESTMENTS	I note that Booker Green is listed on the asset register as £1, and we were able to confirm that the land was purchased for £29,000 and the asset register should therefore be updated accordingly.	At the year-end, the asset register detail has been updated to correctly show the true purchase price of the asset.

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS**Internal audit requirement**

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check that the council's Finance Regulations are being routinely followed.

Further to the detailed testing conducted at the interim audit, I reviewed the minutes and associated financial papers on the council website and am satisfied that the council continues to follow its adopted Financial Regulations and properly approves payments.

C. RISK MANAGEMENT AND INSURANCE**Internal audit requirement**

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The Clerk presents the budget performance information quarterly at council meetings for review using the Rialtas reports and a written summary explaining the overall position and any significant variances. This provides sufficient financial information for councillors to make informed decisions.

Analysis of the council's year-end income and expenditure report shows total income for the year reported as 137.8% and total expenditure as 80.3%, suggesting that the council budget was set appropriately and has been carefully monitored throughout the year. A major project did not progress as anticipated accounting for the majority of the underspend on the expenditure figures.

At the end of the financial year, the council held circa £316,191 in earmarked reserves (EMR) split between a range of clearly identifiable projects. These include Community Infrastructure Levy (CIL) receipts which are annotated by year of receipt. I checked the purpose of the earmarked reserves with the Clerk and confirmed these are all for planned projects of the council.

The council also held circa £98,454 in the general reserve at the end of the financial year. I was able to compare reserve information across the management accounts and the AGAR working documents and found the totals to be consistent.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states '*the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure*' (para 5.33).

The general reserve balance is within the recommended range.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

Since the interim audit, the council has now ceased using petty cash and the testing in this area no longer applies.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and was able to confirm from the accounting software that this includes only salary payments, HMRC payments and pension contributions.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register. I confirmed by sample testing of the invoices that items added during the year has been accurately recorded as the original net purchase price.

The council has a Public Works Loan Board (PWLB) loan, and I confirmed the year-end balance and in year payments against the PWLB documents.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

At the interim audit I noted 'I noted that the reconciliation and bank statement have not been signed in accordance with the Financial Regulations, and I will need to see evidence of this practice being reintroduced at the final internal audit to allow for a positive sign-off for this internal control objective.'

I reviewed the March 2024 bank reconciliation for all accounts and was able to confirm the year-end balances to the bank statements and found no errors.

At the year-end all balances are held on a single account with Lloyds Bank, although the council are in the process of opening a new CCLA deposit. Council is reminded that the Financial Services Compensation Scheme (FSCS) offers protection of up to £85,000 per financial institution although the CCLA is not covered by the FSCS scheme.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

Section 1 – Annual Governance Statement

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

	Annual Governance Statement	<i>'Yes', means that this authority</i>	Suggested response based on evidence

11b	Disclosure note re Trust Funds (including charitable)	N/A	N/A	N/A – the council is not a sole trustee

Audit findings

The year-end accounts have been correctly prepared on an income and expenditure basis with the box 7 and 8 reconciliation explained due to year-end debtors, creditors, accruals, payments in advance and receipts in advance.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2022/23 and published on the council website.

The variance analysis has been completed to explain the variances exceeding 15% where required, and in my opinion, contains sufficient narrative and quantitative information for the External Auditor.

K. LIMITED ASSURANCE REVIEW**Internal audit requirement**

IF the authority certified itself as exempt from a limited assurance review in 2022/23, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2022/23 AGAR tick "not covered")

Audit findings

The council did not certify itself exempt in 2022/23 due to exceeding the income and expenditure limits and this test does not apply.

L: PUBLICATION OF INFORMATION**Internal audit requirement**

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

For councils with a turnover over £25,000, it is recommended best practice to follow the Local Government Transparency Code 2015, but not a statutory requirement and therefore not subject to verification during the internal audit.

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for financial years 2018/19 to 2022/23 inclusive.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority has demonstrated that during summer 2023 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2022/23 Actual	2023/24 Proposed
Date AGAR signed by council	8 June 2023	13 June 2024
Date inspection notice issued	9 June 2023	14 June 2024
Inspection period begins	12 June 2023	17 June 2024
Inspection period ends	21 July 2023	26 July 2024
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2022/23, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2023/24 meet the statutory requirements.
